Industrial Loop in Two-Way Tie

Harvey Aluminum and North High Teachers basketball teams shared the top spots in the standings with identical, four wins and

one less records in the Torrance Recreation Department's Industrial League following Tuesday's games played in North High's gymnasium.

Harvey Aluminum used their tremendous height to good advantage to down the scrappy Alumni five by a 39-29 count. Dave Campbell of the losers bucketed 11 counters to grab high scoring honors. Bob Shoup scored 15 points to spearhead the Teachers' 40-31 win over the green-clad Union Carbide quintet. Bruce Biehler and Walt Bethurem collected 10 apiece for the losers.

Manor Barbers with center Harold Krislock pointing the way with 18 points earned their second win in five starts by virtue of a 44-34 victory over the Ryan Aeros team. Hollis Harvey again led the Planemaker's attack, potting 14 points on six goals from the floor and a pair of charity tosses.

Warrior Matmen, Minus Trio, to Host Santa Ana Deligation

FISHING IN MEXICO
Just heard about the most fabulous fishing trip a fisherman could want. Its a fly down trip to Mexico at a price you can afford.

The trip is sponsored by Sportsman's Air Chapter. You fly down—stay as long as you wish and fly back at any time. The fantastic part about this is the rates. To San Felipe \$36.50

MERE AND FISH

In 2 hours: Bahia De Los Angeles \$55.50 in 3 hours: Santa Rosalia \$72.75 in 4 hours. These are Round Trip fares.

Dick Mere just returned and this is what he said: "The flight was beautiful. You fly at 10,000 feet and you can see over 200 miles in all directions. We stopped at San Felipe, Bahia De Los Angeles, Santa Rosalia, Loreto and La Paz. Hotel accommodations were good in most places with rooms on the American plan at about \$6 a day including meals. The Pilot stayed with us and when we wanted to leave we just took off."

Now as to the fishing—its great. Yellowtail, rooster fish, toto and red snapper abound and have little or no fear of boats and fishermen. You can fish in the surf or rent a boat or skiff and catch the hundreds of varieties of fish that frequent the Gulf of Mexico. You just fish until your arms are too sore to catch any more. You big game fishermen can catch Marlin, sailfish and tuna to your hearts content.

If you crave real fishing and can spare three days to a week, why not try this I'm sure you'll agree that its fishing at its greatest.

'Hot Rodders' to Roar at Gardena

With their competition living up to the new "hot rod" label which replaced their status as jalopies, the CJA speed kings cavort in their weekly outbreaks of motorized mayhem Sunday at Gardena Stadium. Races start 2:30 p.m. after trials at 1.

New 1959 specifications permit virtually unlimited "souping up" of engines, giving the CJA license switch the car designations from jalopies, which were restricted to stock equipment.

Much faster times have resulted and the competition is acclaimed as the finest in CRA's 8-year history.
